125th Anniversary Symposium

Human Healthcare X Digital Evolution

July 5th(Fri.), 2024

Hengso Auditorium, Keimyung University Dongsan Medical Center, Daegu, Korea 대한의사협회 연수평점: 5점

| | emony | |
|--|--|--|
| 09:00~09:02 | Opening Address | Wonki Baek Keimyung University Dongsan Medical Cent |
| 09:02~09:05 | Welcoming Remarks | Chiheum Cho Keimyung University Dongsan Medical Cent |
| 09:05~09:10 | Congratulatory Address | Ilhi Synn Keimyung Universi |
| 09:10~09:15 | Congratulatory Address | Soondo Cha Korea Health Industry Development Institu |
| 09:15~09:20 | Congratulatory Address | Pokkee Min Daegu Medical Association |
| Session I. | From Past to Future: Advancing Smart Healthcare at DSMC | Wonki Baek Keimyung University Dongsan Medical Cente Soondo Cha Korea Health Industry Development Institu |
| 09:20~09:25 | Jejoongwon in 1899: The Beginning of a Healing Journey | Vide |
| 09:25~09:50 | Advancing Smart Healthcare at DSMC | Chiheum Cho Keimyung University Dongsan Medical Cent |
| 09:50~10:15 | The Future of Healthcare: The 'Smart Health System' | Jisun Lee Korea Health Industry Development Institu |
| 10:15~10:25 | Q&A | |
| 10:25~10:45 | Coffee Break | |
| Session II. | Revolution and Innovation in Digital Healthcare | Youngwook Ryoo Keimyung University Dongsan Medical Center Jongyeon Kim Yeungnam University Medical Center |
| 10:45~11:10 | Smart Hospital & Digital Transformation through Co-create Approach | Andy David Philips (U |
| 11:10~11:35 | Digital Health Transformation in Clinical Settings | Wonchul Cha Samsung Medical Cent |
| 11:35~12:00 | Healthcare Transformation Enabled by Artificial Intelligence | Maneesh Goyal Mayo Clinic Platform (US |
| 12:00~12:25 | Digital Transformation in Singhealth, Our Journey thus Far and the Path Ahead | Charles Goh SingHealth (Singapo |
| 12:25~12:35 | Q&A | |
| 12:35~14:00 | Lunch | |
| Session III. | Future and Development Direction of Digital Healthcare | Heecheol Kim Keimyung University Dongsan Medical Cent Dongheon Yang Kyungpook National University Hospit |
| | T | |
| 14:00~14:25 | The Importance of International Standard Adoption When Building Digital Health Capacity to Maximise Population Health Outcomes | Andrew Pearce HIMSS Analytics (Austral |
| 14:00~14:25 14:25~14:50 | · | |
| | Capacity to Maximise Population Health Outcomes | Taekyun Song Korea Health Industry Development Institu |
| 14:25~14:50 | Capacity to Maximise Population Health Outcomes The Future Role of Government in Health IT and Digital Health in Korea | Taekyun Song Korea Health Industry Development Institu |
| 14:25~14:50 14:50~15:15 | Capacity to Maximise Population Health Outcomes The Future Role of Government in Health IT and Digital Health in Korea Public Health: Coordinating Care for Vulnerable Populations | Taekyun Song Korea Health Industry Development Institu |
| 14:25~14:50 14:50~15:15 15:15~15:25 | Capacity to Maximise Population Health Outcomes The Future Role of Government in Health IT and Digital Health in Korea Public Health: Coordinating Care for Vulnerable Populations Q&A | Taekyun Song Korea Health Industry Development Institut Jongsu Jeon Korea Microso Changwook Nam Keimyung University Dongsan Medical Cent |
| 14:25~14:50 14:50~15:15 15:15~15:25 15:25~15:40 | Capacity to Maximise Population Health Outcomes The Future Role of Government in Health IT and Digital Health in Korea Public Health: Coordinating Care for Vulnerable Populations Q&A Coffee Break | Taekyun Song Korea Health Industry Development Institution Jongsu Jeon Korea Microso Changwook Nam Keimyung University Dongsan Medical Cent Changhyeong Lee Daegu Catholic University Medical Cent |
| 14:25~14:50 14:50~15:15 15:15~15:25 15:25~15:40 Session IV. | Capacity to Maximise Population Health Outcomes The Future Role of Government in Health IT and Digital Health in Korea Public Health: Coordinating Care for Vulnerable Populations Q&A Coffee Break Smart Healthcare Industry: Making Medical Care More Intelligent | Taekyun Song Korea Health Industry Development Institut Jongsu Jeon Korea Microso Changwook Nam Keimyung University Dongsan Medical Cent Changhyeong Lee Daegu Catholic University Medical Cent Ed Park Devoted Health (US |
| 14:25~14:50 14:50~15:15 15:15~15:25 15:25~15:40 Session IV. 15:40~16:05 | Capacity to Maximise Population Health Outcomes The Future Role of Government in Health IT and Digital Health in Korea Public Health: Coordinating Care for Vulnerable Populations Q&A Coffee Break Smart Healthcare Industry: Making Medical Care More Intelligent Treating Members like Family: Leveraging Technology and AI for an Aging Population | Taekyun Song Korea Health Industry Development Institu Jongsu Jeon Korea Microso Changwook Nam Keimyung University Dongsan Medical Cent Changhyeong Lee Daegu Catholic University Medical Cent Ed Park Devoted Health (US Thomas Hartley Siemens (German |
| 14:25~14:50 14:50~15:15 15:15~15:25 15:25~15:40 Session IV. 15:40~16:05 16:05~16:30 | Capacity to Maximise Population Health Outcomes The Future Role of Government in Health IT and Digital Health in Korea Public Health: Coordinating Care for Vulnerable Populations Q&A Coffee Break Smart Healthcare Industry: Making Medical Care More Intelligent Treating Members like Family: Leveraging Technology and AI for an Aging Population Improving Hospital Operations and Clinical Outcomes | Taekyun Song Korea Health Industry Development Institut Jongsu Jeon Korea Microso Changwook Nam Keimyung University Dongsan Medical Cent Changhyeong Lee Daegu Catholic University Medical Cent Ed Park Devoted Health (US Thomas Hartley Siemens (German Koonho Rha Naver Healthcare L |
| 14:25~14:50 14:50~15:15 15:15~15:25 15:25~15:40 Session IV. 15:40~16:05 16:05~16:30 16:30~16:55 | Capacity to Maximise Population Health Outcomes The Future Role of Government in Health IT and Digital Health in Korea Public Health: Coordinating Care for Vulnerable Populations Q&A Coffee Break Smart Healthcare Industry: Making Medical Care More Intelligent Treating Members like Family: Leveraging Technology and AI for an Aging Population Improving Hospital Operations and Clinical Outcomes Digital Healthcare 2024 Age of Generative AI | Taekyun Song Korea Health Industry Development Institut Jongsu Jeon Korea Microso Changwook Nam Keimyung University Dongsan Medical Cent Changhyeong Lee Daegu Catholic University Medical Cent Ed Park Devoted Health (US Thomas Hartley Siemens (German Koonho Rha Naver Healthcare L |
